Chagall

Chagall

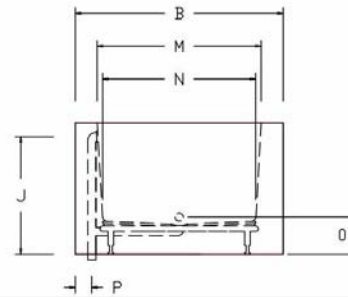

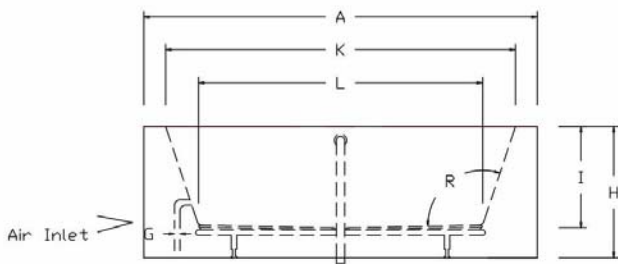

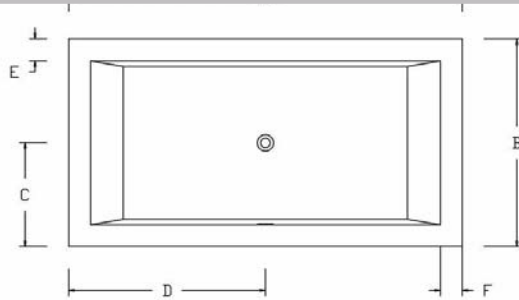

Chagall's art defies categorization. Working in Pre-War I Paris, he was consistently on the fringes of popular art movements and emerging trends. The Chagall tub is also inspired and visionary, with classical influences and a contemporary flair, the Chagall will fit into any design palette. Straight lines and sharp angles draw the eye, and the soul.

72"L x 38"W x 24"D 18.5" ID

Available as Tub only or Thermal Air
