The Ultimate in Sahtury Bathing

**Hydro Systems** offers its acrylic products in the colors shown. An acrylic surface is superior for its color thickness, high gloss, ease of cleaning, resistance to cracking and fading, ease of repair and its thermal insulation properties. Acrylic models of **Hydro Systems** products are a formed layer of deep lustrous acrylic and reinforced with extra thick fiberglass.

**Hydro Systems** also offers many of our products with a gel coat finish in the colors shown. Gelcoat can also be

mixed to custom colors, even for one tub. Gel coat models of **Hydro Systems** products are a layer of high luster gel coat and reinforced with extra thick fiberglass.

Note: Colors are as accurate as monitor and printer displays will allow. Please consult your [Sales Representative](#) regarding exact colors prior to making your final purchase. Other colors may be available, so please contact your Sales Representative.
