Genius Pump

Hydro Systems exclusive Genius Pump is the standard pump for all Hydro Systems whirlpool bathtubs. This self-draining, high performance, low noise pump and its rubber sound and vibration deadening pad is ideal for limited space installations. Available in 110V or 220 volt, 50 Hz or 60 Hz, this UL listed pump is backed by Hydro Systems limited warranty. The Genius Pump is available with or without an integral air switch.
