

FEATURES & OPTIONS

Thermal Air System

The Thermal Air System will delight you with therapeutic benefits such as

- **REDUCED STRESS**
- **GREATER RELAXATION**
- **IMPROVED CIRCULATION**
- **MUSCLE AND JOINT THERAPY**
- **SOFTER, CLEANER SKIN**

Wash away stress and fatigue with our Thermal Air System. Thousands of tiny heated bubbles engulf your body in a therapeutic massage from the top of your neck to the soles of your feet. Numerous air outlets placed throughout the lower portion of the bathing well providing an entire body experience that will soothe the body and calm the soul.

The Thermal Air System can be added to any Hydro Systems tub or in conjunction with our whirlpool system for an unmatched therapeutic environment.

Our exclusive Soft Touch control panel puts you in control of your therapy. Whether you desire a high intensity massage to help you prepare for the day ahead, or want the soft soothing feel of bubbles to prepare you for a night's rest, Hydro Systems is your solution. With our "true" variable speed system, you manage the duration, intensity and type of massage you desire. This system also has a standard automatic purge cycle that ensures a sanitary environment after each use.
